## CYBER PHOENIX

# Hands-On Hacking Training

Develop your ethical hacking skills with this action-based learning training that is 100% hands-on hacking practice with guidance from expert instructors.

**Due to Covid-19 safety restrictions** PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

## Course Overview

This 4-day training course allows students to practice using the tools and tricks that make an ethical hacker great. This course is 100% hacking. Our expert instructor will be present to guide your experience and answer your questions, but your time will be spent with your fingers on a keyboard.
